USBC-MD B FILED

The Honorable Michelle M. Harner
U.S. Bankruptcy Court
101 W Lombard St
Suite 8530
Baltimore, MD 21201

Dear Judge Harner,

As a child being raped by a priest,
threatened, and told to be quiet, I was
robbed of a happy life. As a defense,
I learned not to trust anyone.

So in this bankruptcy matter, we
can't hear what's going on, we have
no say so, the Church is in control
and delaying everything - yet we
are told to trust the process. How
is that possible for a survivor?

There are many mediators, consultants,
litigators and "experts" all participating
in this secret process. Most of

them being paid handsomely by the hour. Isn't it in their interest to drag this out to make more money?

Isn't it in the Archdiocese's interest to drag this out until we survivors die off?

What exactly has been accomplished in the 2 years since bankruptcy has been filed?

Respectfully,
